Commodores Report

Matt Farnsworth

The Recreation Boater's of California (RBOC) had a call-to-arms to oppose SB623, which went to committee the end of May and may be voted on by the end of June. This bill will prohibit the sale of copper bottom paint across the state for recreation boats by 2015 (commercial and military vessels will be exempt); usage will be prohibited by 2019. RBOC is also lobbying against SB 595 bill, which would extend authority to the State Lands Commission to remove abandoned vessels, which is already a mandate of the Dept. of Boating and Waterways. We would like to take a shot at winning the "Gale Force Wind trophy for supporting RBOC. Please let me know if you would like to make a special donation.

TIDA is making progress on the redevelopment plans. The city of San Francisco held a hearing June 14 and the Navy is recommending Alternative 2b for Site 27 (the area east of the marina). This would only remove soil on the edge of the waterfront, and cover the bottom with gravel and not providing any dredging in the waterway. The public comment period ends July 2.

Summer has taken its time getting here; and the wet spring led to a few cruise-in cancellations. At least there were a few good weekends, and June is getting a bit warmer; hopefully we'll have clear skies for the 4th of July Chili Cook-off. We had a great time in YRA season opener, and had several entries in the race. I hope to join the Westpoint Regatta on July 16 (TIYC to SYC – any other entries?)

For August, we're looking forward to the Delta cruise and the International Dinner. Followed in September by the Castaway Weekend Rib feed, and Dragon Boat/Pig Feed on Sept. 17. The 2011 cruising burgees are available for member purchase.

Please join me in welcoming our new members: Elena and David Esser, Barb and Randy Himes, Helene and Anthony Cirillo, Carol and Steve Lane.

Vice Commodore's Message

Jerry Huff

The great Vallejo race April 30 – May 1 could have used much more wind. We had a few join in the festivities.

Opening day on the bay May 1 came and went with no participation from TI.

Floto-de-Mayo May 7th had two new members among those who showed up.

SBOD – May 14th we had two boats in the parade, but many members made it down for the festivities via black-top. Jerry Lugert and Russ Breed did come over and circle Neptune's Palace as they were headed back from Redwood City and we FINALLY were bringing our boat down from Vallejo.

Coming up we have:

June 18-19th Presidio YC cruising in for Sailstice

July 4th Chili Cook-off Fire Works

July 9th Coyote Point cruise in.

August 6th International dinner (Sweden)

We have clubs signing up to cruise in, and will be calling for help to run the bar, dinners. Etc when they are scheduled.

It is imperative to RSVP by JUNE 28 so we don't over buy food!

TIYC is a private club. Members, reciprocal members, sponsored guests and prospective members only.

4th of July and the Fourth Annual Chili Cook-off

TIYC will host our annual chili cook-off on Monday, the 4th of July. Please bring a crockpot of your favorite chili and join in the fun. Remember, if you bring some chili, you and your family can enjoy dinner for ONLY \$5pp-a bargain if ever there was one! Last year's first place winning chili entry was provided by our very own Sharron Harper! We will throw down the gauntlet now to see if anyone will have the "bravado" to beat out Sharron's best!!! The chili (all you can eat until its gone) will be accompanied by cornbread, salad, watermelon and brownie sundaes, provided by the club via Atta and Alice Pilram. The winners will have bragging rights for a WHOLE YEAR!!! San Francisco will be providing the fireworks show and hopefully, Mother Nature will stay home with her fog blanket and also enjoy the show! Hope to see you there and don't forget to RSVP as soon as possible so we don't overbuy food! Alice and Atta Pilram and Alice's mom Jo.
