COMMODORE'S COMMENTS

We are coming into that time of year when the Club's social activities start taking over. Our justly famous Halloween and NAS Dinner should bring out the usual crowds. Make reservations early!

With the return of the monthly "CONTROLLED JIBE" (thank you, Debbie) more and more of the members are participating in the monthly meetings (next 17 Sept at 1930) and programs. Pat Scholine has promised to bring goodies, and two most important decisions must be made. BE THERE!

Our 18 August Angel Island Picnic[†] was its usual outstanding success thanks to Rob & Madeline McSheehy who did a 4.0 job of gathering up the food and drinks, Joe & Betty Chruma who provided ferry service for those who arrived at T.I. via asphalt clipper, Debbie Newbern who honchoed the games, and all those attending who let down their hair and had a ball (and sometimes a handful of raw egg).

Don't be takers, give a little! There's lots of room for volunteers to help in needed spots - and that's the best way to discover how much fun it can be-C'Mon OUT!
