

From this month's editor:

As you all know, things haven't been running very smoothly for the past few weeks, for a variety of reasons. Still, we have had some very simple and successful projects BUT, only a very few people have been involved. The key to enjoying your membership at TISC is to participate, and without your help, we fall flat on our rear. Come down for Thursday night racing! Wander in on weekends! Come to the membership meetings! Participate!

NEWS BRIEFS\*\*\*\*\*NEWS BRIEFS

ALCOHOLIC, the old Bay Rhodes 19 cham-  
pionship boat now belongs to TI.

PERSONALS PERSONALS PERSONALS

Dan GABE is getting married! Do you believe it? Slated for OCT, Dan is marrying a lovely Lady from the Bay Area. Dan, presently TAD aboard the USS CARPENTER, will be going to DepartmentHead School (the Destroyer School for you Old-timers) in late October.

For free legal advice, you can get in touch with our Qualifications Commodore, John Harrison. John took his Bar Exam in July and passed, so I guess he's qualified. John is currently in Newport, RI, attending the Naval Justice School, and is unsure of his plans after that. CONGRATULATIONS, JOHN"!!!!

George and Vi FINEFROCK are the proud new parents of an .... ISLANDER 36. The boat, named DOS COMPANEROS, will be berthed (no pun) at T.I. Marina.

Carl and Liz PROVINNE are discovering the agony and the ecstasy of ownership aboard KAI MELE, but due to the laxity of a certain person, have decided to invest the purchase money in 99 year bonds. OK Dan!

Scott McKAY has also bought a boat. To be named WIND WITCH, the wreck floats (barely) at TI, but, as he says: "sure goes fast". Well, for a 20 year old Folkboat, anyway!

Our thanks to Dottie EDGAR for the beautiful (??) new carpet.

Thank you, Al Lambinas, Cathy Paulus, Mike Roy, Judy Anderegg, Dick Ryder, MaryAnn Soltys, Carl Urbach and the Provines ! ! !

Loyd Hyde, at the last general Membership meeting, was voted an Honerary Member of TISC. Our thanks to "Chief" Hyde for his help and support!!!
