The Treasure Island Sailing Club (T.I.S.C.) reports that the Marina sponsored April Basic Sailing Class has graduated.

The second class begins today (May 1) and will contain 24 members. Individual enrollees have been notified by postcard.

The Harbor Master reports several months' backlog of persons signed up awaiting lessons. Additional instructors are therefore urgently needed to make sailing instruction available to an eager group.

Contact Chief John Dial, 765-6757 after 3:30 p.m. or Mr. Lloyd Hyde, Harbor Master at 765-6460 for further information concerning instructor training opportunities.

May 6th is "Opening Day" on San Francisco Bay. This is a long standing annual event with the Bay brimming over with every type of sailing and motor boat imaginable, passing in procession through Raccoon Strait north of Angle Island to San Francisco in review to be appropriately blessed in the traditional fashion.

T.I.S.C. will have its 6 Rhodes 19's with the colorful Blue and White Striped Sails in single line shepher by the Shields 30.

Private owners are invited to join in the procession with the Treasure Island Club members. Rhodes skippers will meet at 7:30 a.m. at the Marina.

Alameda Sailing Club has invited T.I.S.C. to join them in a steak fry from 2 - 6 p.m. after returning. Cost will be approximately \$4. Reservations can be made by calling Mr. Nick Nichols (848-1074).
