07 July 79

AHOY! We have committed ourselves to improving Club Communications. So, you can now look forward to a monthly JIBE.

If you have any announcements you'd like to have in the JIBE, send them to Debby Newbern, 106 B Forest Rd., San Francisco, CA 94130 by the 1st of each month.

Our next General Meeting is Monday, July 16, 1979, time: 1930. We are having an interesting guest. A representative from Special Services will be present to tell us of future plans for the Marina which will affect all of us as club members and boat owners.

At our last meeting it was decided that keys to the new door will be issued in the following manner:

1. Members in good standing, of two years or more, can obtain a key at \$1.00 for deposit and \$1.00 for the cost of the key- for a total of \$2.00.
2. New members can obtain a key at \$5.00 for deposit and \$1.00 for the cost of the key- for a total of \$6.00. Four dollars will be returned, at the member's request, after the membership requirement has been met.
3. The new door will be installed by the next meeting and keys will be available at the meeting.
4. After July 16, keys will only be available at regular club meetings.

The Angel Island Picnic has been tentatively scheduled for August 18th. Rob and Madeline McSheehy graciously volunteered to be Co-Chairmen for the event. A big THANK YOU! Contact them if you can help in any way, they will be glad to have you. Debby Newbern is in charge of Publicity and Recreation. Joe Chruma is in charge of transportation. If you can take passengers ~~or~~ supplies let Joe know at 589-6315.

Once again Dos Companeros was unaccompanied on her cruise to Drake's Bay. Unfortunately, the power boat didn't show. It must have been due to the fact that we left on an even day and the power boat has an odd registration number. Better luck next time.

For the members that went along it was a great experience. Vi and George Finefrock are terrific sailors and friends. Our hats off to the both of you for your continued support and participation in the Club.

Stop by the Dos Companeros to see the result of an eager crew member. The Finefrocks are now issuing bells to inexperienced sailors so they'll be aware of their whereabouts.

## Cruise Crews News

It has been determined that communications will be re-established with all members of the club so it is again feasible to schedule cruises. The remaining cruises for this season are as listed at the end of the article. Once again there are short distance week-enders in there for the Rhodes 19 sailors and once again sleeping space for those who bring the Rhodes will be available on the larger boats.

If you plan on participating in these cruises please contact George Finefrock at the club meetings or at (415) 961-0409 so slip reservations can be made when required and crew members can be paired up with the boat owners.

On the 14-15 July there is a weekend trip to Half Moon Bay. Please call by Wednesday, July 11, if you want to participate. It is prior to the next scheduled club meeting so the coordinating has to be done by phone.

For those of you who might be thinking of getting a dinghy, yours truly found some in Davenport, made of wood, comes unfinished, comes complete with tow ring, oars and oar locks and cost (about two months ago) the grand total of \$187-. Not bad for a hand made wooden boat. We towed ours back from Half Moon Bay in storm warning conditions when there were times when daylight showed between the water and the dinghy and it only shipped about a quart of water and tracked very well. The info is posted in the club house.

The trips are all set up and all we need is some participation.!

## Cruises thru 28 October

1979 Date	Destination	Depart	Tide Hi	(GG) Lo
14 July	Half Moon Bay	0800	0321	0935
15 July	T.I.	0900	1737	1027
