## JIBE

August was our month for picnics! The Angel Island Picnic on August 18th was a great success thanks to the participation of about 75 members and guests. We want to recognize and thank Rob & Madeline McSheehy for the wonderful food and drinks. (No, I didn't eat five hamburgers like you heard) Thanks to Joe & Betty Chruma for heading the transportation and their co-workers Doc & Libby Vaughn and John Stapleton & family. If it were not for these people all would not have run so smoothly.

Then on Sunday, August 25th and 26th the 11th Naval District Sailing Races were hosted by Treasure Island Marina. The TI sailing team skippered by Mike Wilson came in FIRST! CONGRATULATIONS! The Club hosted a picnic Sunday for all the participants. Due to the lack of wind the races did not conclude until 1600. Many of our anxious volunteers had to leave before dinner but thanks to all of you who came out to help. It was a nice afternoon for socializing and watching the races!

Now to the future! It's not too early to mark your calendars for the Annual Fall Dinner Meeting on NOVEMBER 16, 1979 at the Naval Air Station Officer's Club. Door prizes, good food, and friends will be overflowing. Be sure to watch the JIBE for more details.

ANNOUNCING: the Halloween Party will again be held at the Yacht Club on Friday, October 26th at 1930. Costumes will be the dress of the evening. Hot dogs and Hamburgers will be provided for dinner with everyone bringing a side dish. The next day all those interested can plan to cruise to Sequoia Yacht Club for their Halloween party on the 27th. Let's have a good crowd for both nights. Last year was a blast! So plan to join us on the night when you can be whoever or whatever you dream of being the rest of the year.

Doc & Libby Vaughn have their boat docked at San Leandro and are involved with the San Leandro Fall Frolics on September 29th and 30th. There are a lot of fun events planned with a BIG TROPHY being presented to the Yacht Club with the most boats represented. All the schedules and information is on the bulletin board at the Club for anyone interested.

At the last meeting there was a suggestion to change our monthly meeting to a Saturday morning. The thought behind this is to promote interest in the racing schedule. If people were already at the Marina they might be inclined to stay around for the races in the afternoon. The Commodore asks that we all think of the pros and cons so that we might vote on this proposal at the September meeting.

SO JOIN US FOR OUR NEXT GENERAL MEETING ON 17 SEPTEMBER 79 at the Yacht Club at 1930. Plan to attend so you won't miss out on the planning of our upcoming events.

Do you have items or services that might be of use to another boat owner? It has been suggested that we list Marine items and/or services for sell in the JIBE. Send the information to Debby Newbern, 106b Forest Rd., San Francisco, CA 94130 by the 30th of each month to appear in the following JIBE.

Last week it seems an outboard motor was stolen off a boat at the TI Marina. Boaters who have their boats moored there take heed and make sure your boat is properly secured.

We are looking forward to seeing all of you at the picnic and next meeting. Here's to Fair Winds and Following Seas.
