

Treasure Island Yacht Club
JIBE

OCTOBER 1981

AVAST!!!!!! Did you think the JIBE had gone underground????????????????????
Well - news is like the wind - flooky!!
Although I have not been an eye-witness to some of the activities, I have had
crack reporters and photographers on the scene.

Cruising

PIC-A-NIC

Vi Finefrock, chairperson, is still taking bows for organizing the Angel Island
todo. I hear that Diane Scholz and Larry McKuen along with 17 boats helped to
make it a very successful outing - let's make it 17 boats on every cruise. I
also heard that the Skipper of "METEOR" really enjoyed the "get acquainted
game"!!!!!! Maybe my notes are wrong, but I also heard that someone got
very wet on their return to T.I. - a sailing instructor no less. The food
left over from the picnic was used September 27 for the Central Regional
Sailing Championships at T.I.

FALL FROLICS

Only one TIYC boat cruised to San Leandro for the Fall Frolics. Thank you
Winn and Frank Dukat, "VOLARE" for helping cheer Doc Vaughn's "QUEENIE" in
the boat parade. The Carriers and McSheehys drove over to help decorate
"QUEENIE" which took first place, (even after losing some of the decor over
the side). The Maus & Vi Finfrock also stopped by to lend moral support.
We had another "fall in the water", must be the ice cubes!!!!!!!!!!!!!!!!!!!!
M I C --- K E Y E M O H Y O U E S S

Saturday, October 31, we will cruise to Coyote Point and attend their annual
Halloween party. This year they have added a charge of \$27.00 a couple and
you will have to let June Michalski know by October 20 if you plan to attend.
If you don't cotton to the overhead, we are planning a dock party of our own.

Racing

Join us on this Saturday, 17 October to welcome back our friends of the Canadian Navy who have challenged us to a re-match of our June Rhodes-19 races. We need lots of racers for this one as it will be a day-long fun-race and party. The grill will be going all afternoon with food for sale. NAS Alameda's Luders Yawl will be over to take folks for sightseeing rides, and the Canadians have promised 30 sailors to give us some competition. Please let me or Carl Provine know if you are interested so we can plan the food, and all volunteer assistance will be welcomed. This weekend is International Faire at Treasure Island, so we're doing our part by welcoming our northern neighbors back to San Francisco.

The Annual Race/Cruise to Vallejo is Saturday and Sunday, 24-25 October. Carl Provine needs to know if you're going as soon as possible to reserve space. NAS Alameda Yacht Club is sending a few boats to compete with us, so we need a good turn-out. It's been a while since the last Big boat race, so dust off those rule books and come along for the fun.

On Halloween weekend, along with everything else happening, our own (U. S.) Navy visits for the beginnings of "Fleet Week". We're planning races on Sunday, November 1 and a cookout and need racers and cookout help. See Carl or leave a message in his mailbox in the Clubhouse if you want to participate in any way.

Our Shields races at Naval Postgraduate School, Monterey, will be Thanksgiving weekend 28-29 November. Interested racers should call Randy Williams as soon as possible.

BANSA Rhodes-19 races are scheduled 24 October for our racers not embarked on the journey north to Vallejo. Call Randy for details.

SUMMARY OF COMING EVENTS

- | | |
|----------------|--|
| 17 October | Canadian Navy/TIYC Rhodes-19 race-picnic |
| 24 October | BANSA Races at NAS Alameda |
| 24-25 October | TIYC Vallejo Race/Cruise |
| ✓ 30 October | Halloween Costume Party at TIYC Clubhouse |

| 1 November | "Fleet Week" Rhodes-19 races at TI |
| ✓ 20 November | Fall Dinner Meeting with introduction of 1982 Officers |
| 28-29 November | Shields Races at NPS, Monterey. |

Training

Volunteers are asked to assist in the teaching of the "D" course, which is expected to commence this winter. Also a request has been made for the use of a boat, 25' or larger, for use in the course. All parties interested please contact the Commodore directly.

Thanks to an excellent program, planned and directed by Heloise Phifer, the evening turned out very enlightening. Lt. Chuck Timchalk, USCG, gave a lecture, movies and outside range demonstration on the subject of Visual Distress Signals. One of the flares attempted to parachute on the Bay Bridge.

Admiral Phifer won the door prize - a bottle of wine with a sparkler attached.

COMMODORE'S CORNER

From the smile on Vi's face at the Angel Island Picnic, you could tell she was enjoying the day almost as much as the rest of us. Vi and the Picnic crew, Larry McEwen, Diane Scholtz, Jim Shott et al earned our sincere thanks and a "WELL DONE" for their weeks of planning and hard work leading to all the fun we had that day. I must offer my personal apology for the mix-up on some reservations misrouted by the mails. Please don't hold it against the Picnic crew, and we do hope to see you at next year's Picnic and other upcoming TIYC activities.

Another who deserves mention is Rob McSheehy, our Vice-Commodore, who has been standing in for me at the last two meetings and for our 19 October meeting. My Monday night classes will soon be over and I'll be back, but until then, Thanks to Rob for stepping in and carrying on.

Though I haven't been able to make the meetings, I have been around for lots of recent activities, including more races than I can count. TIYC hosted the Central Pacific Navy Regional Sailing Championships held here 27 and 28 September. TIYC's Tony Soltys won second place, we signed up the winning skipper and his crew as our members, and we're working on the third place crew from NAS Moffett Field. The following weekend, we hosted the sailing competition of the Navy Pacific Fleet vs. San Francisco's "Olympic Club" in the 42nd Annual "Nimitz Pistol Matches" on 3 October. The three Navy teams devastated the civilian sailors. Many thanks to Doc and Libby Vaughn of the Race Committee boat "Queenie" and Bob and Crista Schreiber of the Race Committee Boat "Meteor". A hat tip also to all the volunteers who worked on Race committees and helped with the barbeques and every other thing that needed doing. Thanks to Paul Perona and Geoff Potter for running the race committees and special thanks once again to our unstoppable Steward Ken MacDonald and his helpers. We'll finish those ribs one day, Ken!

A final thank-you this time, to Becky McKenzie, for the facelift to the JIBE, and this one is certainly filled with activities and news.

This Month's JIBE includes the Ballot for next year's Officers. Please return your Ballot using the envelope provided and call Perry Brandes to make reservations for the 20 November Dinner Meeting to meet the 1982 Bridge. Cost is \$8.50 per person for spectacular Crab Chioppino. The Dinner will be held at the Presidio Yacht Club just off the North end of the Golden Gate Bridge.

ADLIBS

---You will all be happy to know that Linus Miller has pulled another rabbit out of his hat in the form of a new ice machine. I don't know how you do it Linus but your efforts have made this club house as nice as it is with little or no expense to our Treasury. You ought to get a medal. THANK YOU!!!!!!!!!!!!

---New slip covers arrived for the furniture - sent back - didn't fit.

---Definition of "ILLEGAL" - a sick bird.

---Special thanks to Larry McKuen regarding the "B" skipper qualifications.

---Are you having trouble with skunks????? Come to the next meeting, one of our members has a fine skunker.

We have had so many changes on our cruise dates that I am almost afraid to remind you that Halloween is here again - hopefully on October 31. Our TYC party will be at 1930, Friday October 30 in our club house. Syl Carrier and Madelaine Dewar are planning some exotic games and prizes, especially in the costume department. Award will be presented for "most original", "best" and "funniest". Get out your disguises and FAKE IT!!!!!!!!!!!!!!!!!!!!!!!!!!!!

IN ADDITION

SOME LATE NCT FLASHES

---Chief Hyde was seen making a wake in the lagoon!!!!!!!!!!!!!!!!!!!!!!!!!!!!

---Congdon who????
