## JANUARY 1995 JIBE

# ***HAPPY NEW YEAR***

## COMMODORE

**John Miller**

About one hundred and sixty of our members renewed for 1995, and of those, about one hundred decided they wanted to participate in the future of TIYC after the Navy leaves. These one hundred will be the charter members or the "plank owners" of the new Treasure Island Yacht Club. We will build upon this membership by recruiting new members. Our participating building fund members will be the nucleus for the establishment of one of the greatest boating clubs

on the Bay - we have the location and we have the determination. It will happen.

Our founding member, Bob Schrieber, passed away in November. He was not only past Commodore and a past member of the Board of Directors, he was TIYC. We shall miss him.

Some of you may know that Bob Wilcox has taken on the job of Marina Manager. We hope that leads to bigger and better things. Also, you should be aware that Pat Carl has been appointed Rear Commodore, and that Eric Mueller has been appointed Port Captain. Both of these men have enthusiastically entered upon their jobs.

For those of you who are going to race with us this season, please read the Race Sheet in this issue of the Jibe.

We have a pot-luck at 1900 on Friday, January 13 to begin our first general meeting of 1995. There will be no Bridge meeting in January.

## MARINA MANAGER

### Bob Wilcox

The view from my office is really great and the coffee pot is always on. I'd like to invite you to come down to the marina office and pay us a visit. You are always welcome! We have had almost a complete turn over in marina personnel recently and we'd like you to stop by and meet the new staff. I believe that you'll find them to be very friendly and we are emphasizing customer relationships. Mc is our new Assistant Manager and Dockmaster. Dave is the Assistant Dockmaster. We are all new to the marina management business so we will welcome any constructive help. You have probably noticed an improvement in the marina appearance and condition of the docks.

This year the marina will have an aggressive program of sail training and boat rentals. Mc & Dave have already started cleaning up the rental boats and that will continue. Our chief sailing instructor, Roger Anderson, and his assistant instructors will be surveying each rental boat so that we can bring them up to a good safety standard. We anticipate that the sail training classes will be filled this year and Roger is going to need additional instructors. Please help us to train others so that they can enjoy this wonderful sailing experience.

During January & February the marina has lowered the hourly fee to rent sailboats. This is a good opportunity to get in lots of sailing time.

Thanks to those individuals that decorated their boats. It was nice to see the marina lit up with pretty lights.

## MAILING LABELS Are they correct?

Harry McBain  
Membership Chair

After a computer crash in the yacht club office I undertook the task of typing a membership file from the records and I'm finding that my fingers and eyes don't work together sometimes. I now have a list of all members (I hope) in my computer, but I'll need everyone's help and patience to come up with a good list.

If anyone finds problems with the mailing labels please let me know.

My address is 3918 Tricia Way, North Highlands, CA 95660. Phone 916-344-3464 (FAX is the same.)

Sep 9	Sixth Series Race
Sep 23/24	SBRA Races that TIYC will sponsor
Sep 30	Doublehanded Race
Oct 7	Singlehanded Race (Robert Schrieber Trophy Race)

To remind everyone, the Series Racers are the best five out of six, so you may throw out your worst finish or the one you missed. We will have a mono-hull division and a multi-hull division, with different courses for each. The Race Cruise to Vallejo and Coyote Pt. will be special races with starts and finishes to be announced. Those not wishing to race are encouraged to cruise to those destinations. The Doublehanded and Singlehanded Races are just that, and will be sailed over one of the courses of the Series. Something new this year for Singlehanded will be, in addition to prizes for winners, a Special Perpetual Trophy awarded to the winner (the Robert Schrieber Memorial Trophy).

I have been asked to list the standings of those boats finishing five of six of the series of 1994. They are as follows:

All other boats participating in Division One did not complete five races. I hope to see you all at the Planning Meeting Feb 4.
