

THE TREASURE ISLAND YACHT CLUB MARCH 1995 JIBE

FROM THE COMMODORE John Miller

Our membership is slowly growing. We now have nearly two hundred members, of which more than one hundred twenty have opted for the building fund. I believe we should strive for around three hundred members when we have our "new" club, as we don't want to be so large that things become impersonal and it is difficult to know each other. It's also important to be large enough so that the financial burden, such as it is, is reasonable for us ordinary folks. Regarding base closure and our future, we are at least being recognized by the people in San Francisco as a player. We are now receiving minutes of applicable meetings and are being invited to participate in some. Last month our Base Closure Committee sent Dave Adams to a meeting to make a presentation outlining our goals and aspirations.

Last month **Elizabeth** and I substituted for **Art** and **Edie** as delegates to the monthly PICYA meeting at the Golden Gate Yacht Club. I would like to report on that meeting; however I had a medical problem during the dinner beforehand, and had to be taken to the emergency room at Kaiser hospital, this missing the business meeting. Elizabeth and I would like to express our thanks to all of you for your expressions of concern and support. Also thanks to PICYA **Commodore Margo Brown** and to **Bridge Marina Commodore Evelyn Gray**, **PICYA Past Commodores Bob Pugh**, and **Bob Usher** whose table we shared. I can tell you that all the commotion I caused put Treasure Island Yacht Club's name on everyone's lips, which may be a good thing from a recognition

standpoint. I now have an implant to preclude such events in the future.

Speaking of Art, he has been recognized for a special award which I will present when Edie and he return from Australia.

THE RACING SHEET John Miller

Last month we had a planning meeting with some of the skippers at which we discussed the new season. A new set of courses was introduced and approved, both for the monohull division and for the multihull division. We also changed the date of the May race to May 13, to accommodate some who wanted to participate in a YRA race May 6. Also agreed was that the **Robert S. Schreiber** Perpetual Trophy will be shared by the winners of both divisions in the Singlehanded race. Remember, our first series race is Saturday, April 1. Copies of the revised Race Instructions, which includes the race calendar and the courses for both divisions, will be on the counter near the popcorn machine for you. An additional reminder for those who serve and those who want to serve on the Race Committee: be at the skippers' meeting at 1000, April 1.

**FROM THE JIBE EDITOR, OFFICE
MANAGER:
Joyce Pucci.**

A special word of thanks to some very special people who gave up a day of sailing and spent a day helping to restore the outer office and also the inner office. **Dennis Coats** came to the rescue and made a platform to hold up the files in the inner office. **Bob Engelhart** and he worked on that project and built shelves in the office also. **Susan and Bob** previously removed EVERYTHING from above the office, sorted, dumped and took inventory of what was left. On the outside, **Fred Brislawn** came back to attack the doors of the shed, a most difficult job due to the warping of the wood. Helping him in the broiling sun was **Rich Utter**. They now open and close with no problem. They did a great job.

We all enjoyed pizza and beer and a bunch of well-dones were handed out. Amazing how so few people can do so much. And, it was fun!

Now, anyone out there know how to lay carpet? Not a staggering job, it has foam backing and doesn't need to be nailed, just measuring and lifting the desk in the office to insert it. If you can spare a few hours, please call me at 392-2794 and we can do it any day Tues-Fri 2-5pm or Sat from 10-1.

BRIDGE MEETING, TUES, MARCH 7TH.

My apologies to those of you who showed up at the Gourmet Dinner in Feb. and found that no one was there. It was inadvertently left out of the Feb. JIBE and the TIYC chef believed that the dinner that he had planned really needed a

large group to make it feasible. He had planned to cook Prime Rib, and now, it is slated for

March. There will ALWAYS BE A GOURMET DINNER ON THE THIRD THURSDAY OF THE MONTH. So, join us on the 16th. for an incredible Prime Rib dinner. Reservations are requested. Send to:
