

MAY, 1996

## RACING SHEET

BY BOB DONOVAN  
CHAIRMAN, RACING COMMITTEE

The first race of the 1996 season was completed, a scheduled, on Saturday, April 6. We had a total of thirteen boats competing in the two divisions. This is more than any race in 1995 and enough that the Coast Guard may be able to find our flotilla on their radar. I want to thank Jim Brown for his valuable assistance in finding so many participants for the multi-hull Division 2 (there were never more than 3 boats last year), the monitoring of Div. 2 handicaps, and preparation of the final race report. I should more properly thank his computer for the last activity. Thanks also to the members of the race committee for making it go so smoothly and easy for a first-time race chairman. John Miller gets special thanks for providing his boat when he says he wants to retire from the races. REALLY? A reminder that we still need committee boats for the remaining seven races in the 1996 schedule. Please call me at (510)934-7848.

The April finishing order was:

### Division 1

Mistral	1
Mytoy	2
Hussar	3
Lone Ranger	4
Starfire	5
Compass Rose	6
Southern Cross	7

## CRUISING NEWS

by Suzanne Sylvester

We really did cruise to Sacramento during Easter week; five TIYC boats and one friendly tag-along. Arrival times varied from Sunday (the Sigels on *Spirit*), to the Monday arrival of *Kestral* (Judith Atkinson), that lovable tug *Ginnie Mae* and *Orion*, then on Wednesday afternoon, *US Skutsje* (Lou and JoEllen Bouma). The Novaks on *Grand Illusion* stopped at Walnut Grove and never did reach the Capitol City. The Sacramento River was a fierce three knots. Tough on the upriver leg, but we flew coming downstream.

The Sacramento Yacht Club provided excellent hospitality and our excursion to Old Sacramento was memorable -- especially for those who toured the Capitol Building, gardens, and Vietnam Memorial.

The Memorial Weekend cruise to Vallejo is 25,26,27 May, with Terry Sigel as Cruise Director (See article elsewhere in this issue). The balance of our 1996 cruise schedule is included on the master schedule (which will also be printed elsewhere in this issue).

## BOAT/US

The acronym, BOAT/US stands for Boat Owner's Association of the United States. Perhaps you've seen some literature around the clubhouse from this organization; boating safety newsletters, boat equipment catalogs, information bro-

chures and membership applications. As cooperating Group Liaison, I place BOAT/US literature out on the long south-facing window bar. TIYC has been a BOAT/US Cooperating Group for as long as I can remember. The organization was formed 29-years ago to provide a voice for boaters at the highest level of government, to provide consumer protection, boat insurance, marine towing service, and discounts on boating equipment.

The notorious User Fee tax was repealed following legal action by BOAT/US. The FCC has recently backed off of the \$115/75 VHF licensing fees thanks in part to BOAT/US lobbying. These actions are good for boat owners. We should support an organization that works directly for us. There aren't many around in case you haven't noticed. I'm thinking BOAT/US and RBOC (Recreational Boaters of California) and that's it. In all fairness, I should count the Coast Guard and the Coast Guard Auxilliary.

RBOC is supported by individual donations and an annual contribution made by boating organizations such as TIYC. We give RBOC between \$300 and \$400 a year, depending on the inclination of our Board of Directors. The club as an entity doesn't provide financial contributions to BOAT/US. Our support is provided through individual membership at the low cost of \$8.50 annually. As Cooperating Group members, we pay half of the regular \$17. membership dues. Most of our club officers and directors are members, or will be soon. To receive the group discount, use our Cooperating Group ID number, which is GA 81538Y.

Interested in joining BOAT/US? Ask Joyce, our manager, for an application. Over 50 TIYC members belong. Get onboard!

# 3rd FRIDAY DINNER

By Sandy & Jim Aberer  
Chairpersons

Presentation at the April 19th English Dinner was superb. The efforts of Mike, Dorothy, Al. provided a sellout crowd with nautical ambience and enjoyable dining. The May dinner will be hosted by Ken Bobv - so sign up soon, as each dinner since December has been sold out. Ken is currently toiling over menu decisions and will be announcing plans in the near future.

Good times and tasty plans include:

Jun.	Salad Fiesta	Marcia-Ruth-Joyce
Jul	Red, white & Blue	Jean and Debbie
Aug	Summer.	???
Sep.	Tri-tip BBQ	Gladwin Family
Oct	October madness.	Bob-Zel-Jim & Sandy

Once again, thanks to the April crew for sharing your sailing memorabilia, including antique hat and delectable food in such a creative style!

## RACING, CONTINUED

### Division 2

<i>Pau Hana</i>	1
<i>Flying Home</i>	2
<i>Already There</i>	3
<i>Escape</i>	4
<i>Sea Bird</i> (demo)	5
Helms F-24-11(demo)	6

Note that the last two boats in Div 2 are demonstration boats and are not eligible for competition even though their corrected completion times are better than some of the finishing boats. The completed Race Report is posted in the clubhouse.

# MEMBERSHIP

## ONE BIG MAMA!

Elizabeth Meyer bought a boat! A big boat! Fortunately Elizabeth has a lot of money and can afford it, because the boat she bought was a rare J-Class sloop. Very popular in the twenties when boats were made of wood and only millionaires could afford to sail them. There's a picture of a J-Class on every yacht club wall in the Western Hemisphere. And every 90's yachtsman alive has looked at those pictures in awe and tried to imagine the thrill of being at the tiller.

Elizabeth spent a ton of money bringing her big boat up to its former pristine glory. Only one thing left to do. Call up Hood Sailmakers and ask them to whip up a main sale. They were happy to oblige. Making sails is what they do.

The sail Hood made for Elizabeth has 5,360 sq. feet. of area; 153 feet of hoist; 63 feet of foot, and 20 battens. It was made of 9.4 oz. Vectran, and weighed in at 950 lbs. That is 700 lbs. lighter than its previous polyester sale.

## SUSAN HISCOCK, AUTHOR AND CIRCUMNAVIGATOR

Everybody remembers Susan & Eric Hiscock and their three boats, *Wanderer I, II, & III*. They were best known for their books, *Cruising Under Sail* and *Around the World in Wanderer III*, both still in print and available in chandleries and nautical book stores throughout most of the free world.

The Hiscocks embarked on a life of sailing in 1941, they won the Blue Water Medal from the Cruising Club of America in 1955 and were knighted in recognition of their contribution to sailing in 1985. The writings of this remarkable couple were the foundation upon which the unthinkable became thinkable. They were the inspiration for the thousands of circumnavigations that followed.

Eric died in 1986 and a year later, Susan sold *Wanderer III*, and returned to her native England. There she bought a wooden racing dinghy and took up the sport she had learned as a teenager in the 1930s. She was 80 years old when she won her first race. She finished the season in 14th place.

After cruising for over 40 years, with 3-1/2 circumnavigations to her credit, Susan Hiscock passed away one week before her 82nd birthday at her home at Yarmouth, England on the Isle of Wight on May 12, 1995. A capable mariner and a tribute to those many able ladies who followed.

**Dr. C. Gordon Strom**

As we pass the mid point of 1996, things that will effect us and Naval Station Treasure Island are progressing rapidly. A very thorough proposal regarding the Yacht Club has been prepared and presented to the City of San Francisco and its Reuse Committee. We have also made a proposal to the Navy that the Yacht Club take over management of the marina. Why would we do this? The big advantage is that it would show that the Yacht Club can do it; thus demonstrating to the city that when the base closes, we would be the logical organization to continue to do so. Your officers and Board of Directors looked closely at the pros and cons, i.e. expenses, responsibilities, etc. and feel that we can handle it. The base Commanding Officer and MWR officials are supportive of the idea. We need to know your thoughts. If you have something to say, contact an officer or member of the Board and make your feelings known.

These are exciting times of change. Though we may not like the changes, they are inevitable and there is no reason that Treasure Island Yacht Club cannot be on the leading edge of those changes.

On a personal note, after 1 1/2 years of being in limbo with various fractures and maladies, I am now US Navy retired. After almost 34 years of service, that is a big change. Would I do it over if I had the chance? You bet! Those of you who are now in or have served in the military are a unique bunch. Be proud of it!

A special thanks to **Dr. Frank Nelson** and his presentation on world class figure skating.

**From the Club Manager, Joyce Pucci.**

## **OUR CLUB WHERE ARE WE GOING?**

Join us in the General meeting to be held on 10 May, the second Friday of the month. This meeting will be devoted to talking about the Treasure Island Yacht Club, about NOW and the future of the club. We plan to spend an hour or more discussing all the possibilities concerning the future of the club, the Marina, any/everything that you have spent sleepless nights thinking about. Seriously, everyone has questions, concerns about the future. Join us on this night, bring forth your questions, anxieties and good ideas.

The meeting will start with a Mexican Pot Luck Dinner to celebrate the week after Cinco de Mayo. Bring Mexican foods of all kinds. The club will feature a good Mexican beer for a buck; chips and salsa. Start thinking tortillas, enchiladas, chili's, Mexican salad and dessert and let's concoct a wonderful feast.

Dinner starts around 6pm and the meeting will follow 7:30ish. Please mark your calendars and come to this very important meeting.

**WATCH PERSON OF THE MONTH OF MARCH 1996** was unquestionably, **Kevin Kelley**. Kevin came in early and stayed late! Not only did he do a great job of cleaning up the club but he stayed on late to assist Chef Mike who was preparing BBQ dinners for two groups of Yacht Club Cruise Ins. Kevin must have thought he was in the wrong service as he stared at the mega mound of potatoes awaiting washing and baking. He tackled those and went on to help with other dinner preparations. Thanks Kevin for a job well done!!

**WATCH PERSON OF THE MONTH OF APRIL 1996** was **Lisa Novak**. Another energy filled member that made the YC her own special clean up project. She had everything spick and span and shining. Lisa even served lunch to the racers between chores. And of special notice, Lisa even left a note in the Watch Log that said "Thank you for the opportunity to spiff up our club!" Thank you Lisa, for all you did and for such great attitude.

Thanks to all the members of the club who come here and work so hard to improve their club. Very few members have missed their watches. This does make a difference.

For those of you who have missed their watches because of last minute health problems, you will be notified of an upcoming amnesty date in which you can make up your watch.

Now, about the watch. As you know, you signed an agreement with the TIYC on your membership application that states "I agree to donate two (2) days a year to club watch or other assignments pursuant to TIYC Standing Rules." This means that unless you are an officer of the club, a member of the Bridge or Board, an activity Chair, Race, Cruise, etc. or are active in a Committee, you must stand your duty watches..

Because of the lack of volunteers to tend bar and help out at the various Cruise Ins, it will now be necessary to set up a list of members to be assigned to the various Cruise Ins. The duty is really fun. You tend bar [an experienced member will be there to help you] so there is no experience necessary. Possibly you will be asked to collect for the dinners, set tables, clean up, etc. You will be invited to join the other TIYC helpers for dinner after the incoming group is served. Each event is sort of a mini party for all of us. Look at it as a fun evening. This duty, of course, eliminates one watch duty for the year. So a night of fun versus a day of watch duty is not a bad trade in. Call me at 415/392-2794 to get put on the volunteer Cruise In Crew List or sign up on the cold drink machine for specific cruise ins.

Here we go, following is the first Cruise In Crew List for May, 1996.

**Please be at the club by 4pm. Hours should be from 4 to 8 or 9pm.**

## EVENTS FOR THE MONTH OF MAY 1996:

Bridge Meeting	7 May	Light supper 6pm
General Meeting	10 May	Major Dinner-Pot Luck-Mexican Food. We will discuss an important subject, "The Future of the TIYC", Q & A segment.
Race	4 May	2nd. Series Race      Skippers' meeting 10am
Third Friday Dinner	17 May	<b>Chef Ken Bobu</b> will cook us his special gourmet Vermicelli with anti-pasto, salad and bread, dessert and coffee, all for \$12.00. Reservations a must. *[see note below]
Cruise Out	25-26 May	Vallejo YC
Opening Day on the Bay Parade of Ships.	5 May	SF Bay, call <b>Christa Schreiber</b> or <b>Bob Becker</b> to help decorate the TIYC boats.
Cruise Ins	4 May	Sequoia YC. Check above Cruise In Crew list to see if you've volunteered for duty.
	18 May	Catalina 36 Assn. Fleet 9. Check Cruise In Crew list to see if you'll be here.

\* The Third Friday Club is comprised of gourmet aficionados. The past four dinners, once held on the First Saturday but bumped to the third Friday to accommodate the Cruise Ins, is now appropriately called the Third Friday Club. This group really knows how to prepare wonderful meals. We set up a few guidelines to make these dinners special. One couple, or a couple of non-couples or a single or non-single, set up and prepare the dinners. The group cleans up after dinner. We can only accommodate 25 people; reservations are a must! Last month **Mike Eddington** prepared Beef Wellington and it was a gourmet's delight. Every dinner has been a sell out so get your reservations in early. Call me, Joyce @415/392-2794 or sign up on the ever handy coke machine. Dinners are casual and cost \$12.00 each. If you're game, the after-dinner Trivial Pursuit Contest will take place. Special prize for the winning team!

**GREAT, HAPPY, NEWS!** Art Fowler and Betsy Foulds will be married this June 22. Congratulations and all happiness to the two of you.

## THIS 'N THAT

In the "It's never a dull moment" department, life here at the marina has been fairly awesome. The crew from the TV series, "Nash Bridges" were here for a few day filming a segment at the parking lot. They used the clubhouse as resting place for the actors, stuntmen, etc. In return for the use of the club we will be receiving something special, custom made just for the TIYC. I won't spoil the surprise, you'll see it for yourself. Thanks go to **Bob Wilcox** for this special arrangement.

For the new members, this is a reminder that the TIYC belongs to the **SEA WEST Federal Credit Union**. For information call **Carl Price**, Vice President/Branch Manager. His office is at Coast Guard Island, P.O. Box 5008, Alameda, CA 94501-8505 phone #510/532-5160.
