***Joyce Waters***

There will be a Bridge/Board meeting before or after the General Meeting that will take place on Saturday, 17 July at the Oakland Yacht Club. B/B members will be notified as to exact time at a later date. The General meeting will have an update on the TIYC. Negotiations with the City and County are ongoing and the goal is to have a functioning, physical facility for the year 2000. Come to the Oakland YC on the 17th to hear the latest news and to take place in or watch the winners of the Schreiber Cup cross the line. The theme for the evening is Caribbean including a steel band. [See flyer this issue] and a delicious dinner will be served.

The past few months have seen the group gathering, in March at the **Van Wyes** for our annual St. Patrick's Day party. In April we gathered at the Berkeley YC for a delicious BBQ dinner and meeting. May found the group back at OYC for the signing of an agreement for the Bob Schreiber

perpetual trophy by the Commodores of both clubs. June was a quiet month, YC wise. No dinner or meeting was planned but we will make up for the lull with two wonderful get-togethers in the coming months. In July, as stated above, the **Schrieber Cup Race**, dinner/meeting will be celebrated. Come to the race and fly the TIYC burgee as you fly over the finishing line first! This is the first race in the annual competition and TI needs to enlist its racer/cruisers to fly the flag. You don't have to be an experienced racer to compete in this race. It is basically a run around TI in either direction, finishing at the OYC. Any good sailor with minimal knowledge of the currents has a chance of winning this one. Let's let it be a TIYC racer!

Then we'll gather together to have our meeting after the festivities.

On 21 August we will have a Delta Picnic at the home of **Commodore Jim and Sandy Aberer**. See the flyer on this one.

## SAN FRANCISCO GOLD RUSH SAIL

Professional Sea Services Syndicate

Vol. III Sec. 7 Jun '99

The Tall Ships are coming!

JULY 2-5, 1999

On July 2, 1999, an estimated 60 Tall Ships and other historic vessels will parade under the Golden Gate Bridge in celebration of the Gold Rush anniversary. This will be the first time in this century that such a gathering of tall ships has graced the Bay! The visiting ships will be open to the public on July 3 and 4, along the San Francisco Waterfront.

Originally, this spectacular event was planned and financed by the state of California. Unfortunately, they were unable to raise the necessary funds to actualize their commitment. Although the original offer from the Governor was *not fulfilled*, the tall ships are still coming!

Our visiting roster of ships includes, but is not limited to:

<u>NAME</u>	<u>COUNTRY</u>	<u>LENGTH</u>	<u>PIER</u>
Eagle	USA	295'	45E
Kaiwo Maru	Japan	361'	35W
Dewa Ruci	Indonesia	191'	27E

Guayas	Ecuador	257'	45E
American Pride	USA	129'	45W
Bill of Rights	USA	136'	47
California	USA	145'	47
Hawaiian Chieftain	USA	103'	47
Pilgrim of Newport Street	USA	118'	Hyde

July 2	1:00	Parade from the Golden Gate to the Bay Bridge

July 4	9:00-5:00	Ships open to the public, Piers & 27 Hyde St Pier
July 5	8:00	Ships depart for race to Long Beach

Ward Cleveland and our own Christa Schreiber will be the Grand Marshall and Marshalette for this event. They will be dressed in period clothing and waving to all TIYC members on shore and on the Bay.

# The Schreiber Cup Race – 17 July 1999

To all OYC and TIYC members:

A new annual event that will be fun for all sail boaters (and stink pot drivers, if a sailor will invite you for a ride).

This is an informal event for all who sail and not just for those that race all of the time. The rating for each boat will be assigned by the Race Committee. The YRA handicaps won't be used. High ratings will be at a premium! Consideration will be given for those boats that have washer/dryers, full bath tubs, excess crew, dodgers - you name it!

This is going to be more like cruise around The Islands (Treasure and Yerba Buena). Sign up at the Oakland Yacht Club office (510) 522-6868.

No entry fee! Lots of exotic prizes! Call the club or drop in and sign-up. We will send you an entry form, race instructions and the course. The division assignments will be made after we hear from you, and will post them with each division starting time at OYC the day before and the day of the race.

There will be party at OYC the evening of the race with dancing and a steel band. Dinner will start at 6:30 PM - \$9 - \$14. Berths will be available for those who want to spend the night.

**If you are racing, please call OYC [510/522-6868] Give them your name, boat type and length.**

Detach and send this entry form to Bob Donovan or drop off in person at OYC desk.

## Schreiber Cup Entry Form

Division #	
Sail Number	
Handicap Rating (Optional for Div 1)	

OYC is having a Caribbean Night after the race. Reservations may be made separately for that event.

OYC would like a head count for dinner. Please call Joyce at 650/588-4351 and leave a message on how many will be attending.

# MARK YOUR CALENDARS FOR THIS SPECIAL EVENT!

## SATURDAY, AUGUST 21, 1999, 10AM TILL TIRED!

Our first Delta Picnic will be held at the home of **Commodore Jim and Sandy Aberer**. This will be a pot-luck picnic. Bring your own meat to BBQ and a dish [salad or dessert] to share. Bring enough food for two meals, lunch and dinner.

Come by boat or car, docking and parking available. Bring your bathing suit and towels as water activities will abound.

Available will be: Ice, shade, chairs, a whole house, dock, swim platform, volley ball, pool table and a special feature, hourly tours of new boat and house by a professional, retired docent!

Incentive for boaters, if you bring your boat you can stay overnight. Over 100 feet of dock available.

TI might not have a home right now but we certainly have places to gather, and this one is very cool!

### **Directions:**

**By Land:** from TI: 80 to 580 to 24 to 680 north to 242 to 4 east from Concord, to Cypress Rd in Oakley, left on Cypress to Sandmound. Right on Sandmound to 4200. Road deadends here at the end of the paved, gravel and dirt road..

**Caution:** You've gone too far if on:

680 you go over the bridge to Benicia  
on 4 of you go over the Antioch Bridge  
on Sandmound, if you cross the Bethal Island Bridge. If you do any of the above, you have gone past your turn off and are officially lost! Back up and try again.

**By water:** Take the San Joaquin River to the east side of Frank's track. When you get to the north side of the Holland track, at the south edge of Frank's track, follow the levy road on Holland track. Look to the right side and listen and look for a group of boisterous people carousing about. Look for the TIYC burgee flying. You've arrived when the end of the slough presents itself. If you get lost call **925/684-0103** and request directions from the resident navigator.

Please leave a message on Joyce's machine at **650/588-4351** so that we can have a head count of those arriving by boat or land. Thanks.

**America's Cup 2000 Regatta** The action starts in October 1999 at Auckland's Waitemata Harbor and the adjoining Hauraki Gulf on New Zealand's east coast. Both the Louis Vuitton Cup and the America's Cup Regatta will take place on the same course in the shadow of Rangitoto Island in the Hauraki Gulf.

America's Cup 2000 begins with the *Louis Vuitton Cup*, a series of three round robins, semi-finals and a final. The winning syndicate will then race the defender, Team New Zealand for the America's Cup.

## *Louis Vuitton Cup*

Round robin one - starts 18 October 1999  
Round robin two - starts 06 November 1999  
Round robin three - starts 02 December 1999  
Semi final - starts 02 January 2000  
Final - between 25 January - 07 January 2000

## *America's Cup Defense*

Team New Zealand versus the winner of the Louis Vuitton Cup in a best of nine series - between 19 February - 09 March 2000

Auckland is aptly called the "City of Sails". New Zealand has more yachts per capita than anywhere else on earth. It seems fitting that this most prestigious yachting event will start in the old millennium and finish in the new. Leaders of Team New Zealand, Sir Peter Blake, Russell Coutts and Brad Butterworth welcome such yachting legends as Connor, Cayard, Baird, Riley and Kolius, as well as other rivals from the world's greatest sailing nations.

Sailing on Waitemata Harbor and Hauraki Gulf offers variable conditions often exceeding those on San Francisco Bay, i.e. The event commences in early spring, with the America's Cup defense in late summer, early fall... then factor in completely unknown variables such as El Nino or La Nina conditions; resulting in one of the sternest tests of sailing capabilities ever staged.

Having spent some time in New Zealand in the past, I look forward to the opportunity to return in 2000. One of my squadron mates from VAQ-130 (NAS Alameda) sailed to Auckland with his girlfriend following the Viet Nam War, where he currently resides. I found that the people of New Zealand are among the most hospitable on earth, however; when it comes to sailing competition, they go *gang busters*. Team New Zealand will be a formidable defender, especially when considering the avid support of every man woman and child in the country. They love their sailing, they love their team that will make a superhuman effort to defeat the "Yanks".

Few have succeeded in wresting the cup from the original victor, New York Yacht Club Commodore John Cox Stevens, who won the cup for the U.S. after his conquest of England. The two countries that have made yachting history happen to be neighbors. Australia, in 1983, for the first time in 132 years, and in 1995, after years of attempts, frustrations, and of course sailing, New Zealand.

You can catch the action from Waitemata Harbor, and on Hauraki Bay in a charter or private boat or from a number of other accessible vantage points (Rangitoto Island), or in front of a battery of giant screens in the Cup Village. This event should generate one hell of a party. See you there!
